All information will remain confidential and within the Association. We do not sell mailing lists. Email addresses are Vital to our communication network. If you do not have an email address, please list one of a family member or friend To keep you informed.

Our membership consists of very few full time residents of Perdido Key. We, therefore, need volunteers. If you are in the 32507 zip code, you can help by attending meetings and being involved locally to support our efforts. If your permanent Residence is out of town/state, you can be effective through the email network, volunteer to send faxes to the county on specific Issues, or simply give to the Legal/Professional Fund.

This year we have opened our membership to include those of our neighbors who live in the areas surrounding Perdido Key, And who, rightfully, consider themselves a part of the Perdido Key Community. This would be an associate membership and would allow these folks to receive a copy of our newsletters and to help support our community service efforts. Your membership dues are tax deductible.

Annual Membership \_\_\_\_\_ \$ 30.00

Our Legal/Professional Fund needs financial support to carry on the issues and priorities Set forth by the membership. Please help by contributing to the fund to allow us to Continue to be effective.
