

PKA Membership Application

Dear Renewing and Prospective PKA Members,

The Perdido Key Association (PKA) has been a public voice and information resource for Perdido Key owners and residents for almost 35 years. Through its website, monthly Key Notes, and other communications, the Association keeps members up-to-date on issues such as progress toward the Perdido Key Master Plan, transportation developments, and significant local events and meetings. PKA monitors government actions that could eventually affect Perdido Key, including community beach access disputes and state and federal environmental and wildlife policies, with PKA Directors and other members often testifying before the Escambia County Board of County Commissioners and other government entities on issues relevant to Perdido Key. PKA also cosponsors community events such as World Oceans Day in June and International Coastal Cleanup Day in September, both at Perdido Key State Park.

We hope Perdido Key will remain the idyllic place it is today, but believe that without continued attention from concerned property owners and residents development could go in unfavorable directions. With more members, the views of Perdido Key owners and residents will be better understood by decision-makers. Membership is open to all owners and residents of the Perdido Key Area with annual dues just \$30. PKA also has a legal fund sustained by member contributions that provides additional financial support to pursue important priorities of its members.

There are two ways to renew your PKA membership or join for the first time:

- To pay by check, fill out and mail the below membership form, along with the \$30 membership fee and any contributions to the legal fund, to PKA, PO Box 16337, Pensacola FL 32507.
